## Box 1—About our company

### Profile

#### 1. Strategy and Analysis

This section is intended to provide a high-level, strategic view of the organization's relationship to sustainability in order to provide context for subsequent and more detailed reporting against other sections of the Guidelines. It may draw on information provided in other parts of the report, but this section is intended to produce insight on strategic topics rather than simply summarize the contents of the report. The strategy and analysis should consist of the statement outlined in 1.1 (...).

**1.1** Statement from the most senior decision-maker of the organization (e.g., CEO, Chair, or equivalent senior position) about the relevance of sustainability to the organization and its strategy.

The statement should present the overall vision and strategy for the short-term, medium-term (e.g., 3-5 years), and long-term, particularly with regard to managing the key challenges associated with economic, environmental and social performance. The statement should include:

- Strategic priorities and key topics for the short/medium-term with regard to sustainability, including respect for the internationally agreed standards and how they relate to long-term organizational strategy and success;
- Broader trends (e.g. macroeconomic or political) affecting the organization and influencing sustainability priorities;
- Key events, achievements, and failures during the reporting period;
- Views on performance with respect to targets;
- Outlook on the organization's main challenges and targets for the next year and goals for the coming 3-5 years; and
- Other items pertaining to the organization's strategic approach. [GRI G3: p. 20]

## 2. Organizational Profile

**2.1** Name of the organization. [GRI G3: p. 21]

**2.2** Primary brands, products and/or services. [GRI G3: p. 21]

**2.3** Operational structure of the organization, including main divisions, operating companies, subsidiaries and joint ventures. [GRI G3: p. 21]

**2.4** Location of organization's headquarters. [GRI G3: p. 21]

**2.5** Number of countries where the organization operates, and names of countries with either major operations or that are specifically relevant to the sustainability issues covered in the report. [GRI G3: p. 21]

**2.6** Nature of ownership and legal form. [GRI G3: p. 21]

**2.7** Markets served (including geographic breakdown, sectors served and types of customers/ beneficiaries). [GRI G3: p. 21]

## Box 1: continued...

### 2.8 Scale of the reporting organization, including:

- Number of employees;
- Net sales (for private sector organizations) or net revenues (for public sector organizations);
- Total capitalization broken down in terms of debt and equity (for private sector organizations); and
- Quantity of products or services provided. [GRI G3: p. 21]

### 2.9 Significant changes during the reporting period regarding size, structure or ownership including:

- The location of, or changes in, operations, including facility openings, closings and expansions; and
- Changes in the share capital structure and other capital formation, maintenance, and alteration operations (for private sector organizations). [GRI G3: p. 21]

### 2.10 Awards received in the reporting period. [GRI G3: p. 21]

## 4. Governance, Commitments and Engagement

### Governance

#### 4.1 Governance structure of the organization, including committees under the highest governance body responsible for specific tasks, such as setting strategy or organizational oversight. [GRI G3: p. 22]

## Box 1: continued...

**4.2** Indicate whether the Chair of the highest governance body is also an executive officer (and, if so, their function within the organization's management and the reasons for this arrangement). [GRI G3: p. 22]

**4.3** For organizations that have a unitary board structure, state the number of members of the highest governance body who are independent and/or non-executive members. [GRI G3: p. 22]

**4.4** Mechanisms for shareholders and employees to provide recommendations or direction to the highest governance body.

Include reference to processes regarding:

- The use of shareholder resolutions or other mechanisms for enabling minority shareholders to express opinions to the highest governance body; and
- Informing and consulting employees about the working relationships with formal representation bodies such as organization level 'work councils', and representation of employees in the highest governance body.

Identify topics related to economic, environmental and social performance raised through these mechanisms during the reporting period. [GRI G3: p. 23]
