

# INX InFlight Mobile

View travel bookings and itineraries

Save time and improve morale by allowing your employees to view their travel schedule whenever they want, wherever they are.

INX InFlight Mobile interface showing a calendar grid for 'Daily Activity Status'. The grid displays employee names and their status for each day of the week. Navigation buttons for 'Back', 'Current', and 'Next' are visible at the top. A sidebar on the left lists various menu items like 'Inflight Home', 'Daily Activity Status', 'Adhoc Booking', 'People', 'Rosters', 'Flights', 'Rooms', 'Adhoc Reports & Graphs', and 'Administration'. At the bottom, there are three download buttons: 'Download on the App Store', 'ANDROID APP ON Google Play', and 'WINDOWS STORE'.

## KNOW WHERE YOU'LL BE AND WHEN

Having uncertainty about your upcoming work schedule can be frustrating and inconvenient. With INX InFlight Mobile you can view your upcoming roster, accommodation and travel bookings whenever you want.

## SHARE YOUR TRAVEL PLANS

Coordinating activities outside of work can be made difficult with uncertain travel plans. We understand the importance of keeping friends and family in the loop and so you can share your details with them to view on their own phone.

## VIEW FLIGHT BOOKING DETAILS

View where and when your flight is departing and arriving as well as the flight booking status so you can rest easy.

## ENCOURAGE EMPLOYEES TO REVIEW THEIR DETAILS

With the ability to review their own accommodation, roster and travel details in the palm of their hand at any time, employees and contractors are encouraged to stay on top of their schedule and request any changes with ease.

## NO MORE WAITING AROUND

Relying on people to get back to you about your travel and roster plans can see delays and not always getting the information you want. With INX InFlight Mobile you get this information right away so there's no more waiting around.

## KEEP YOUR EMPLOYEES UP TO DATE

Rosters can change and bookings can be made on an ad hoc basis. With INX InFlight Mobile users can see their up to date plans with the time and date stamp confirming when it was last updated.

## VIEW ACCOMMODATION DETAILS

See which site you will be staying at as well as your accommodation details.
