

# INX Assessor

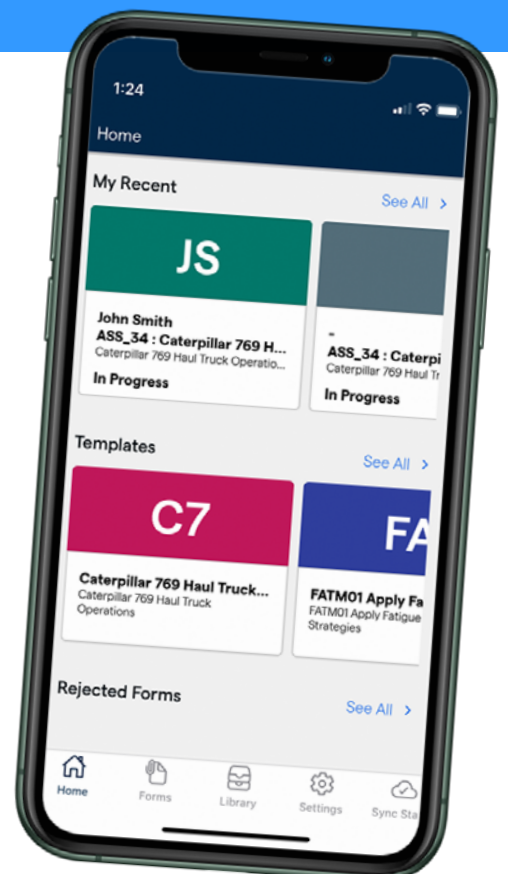

Practical assessments in the field made easy

Overcome the common challenges of managing practical assessments in the field. INX Assessor enables better management and visibility of practical assessments onsite whilst also reducing the time spent on administrative tasks such as scanning or filing paper forms. The INX Assessor app enhances process consistency and compliance, as well as speeding up assessment review and approval with in-built workflows. Practical assessment forms will be available for Assessors to complete in the field, both online and offline. With INX Assessor, field assessments are made easy.
